Captain's Message

As we move into June, I would like to thank every member for the passion, commitment, and camaraderie that make the Seychelles Golf Club such a welcoming and enjoyable place to play.

Golf is a game that constantly challenges us—not only to improve our skills but also to demonstrate patience, integrity, and respect for one another. Whether you're competing for prizes, working on your handicap, or simply enjoying a social round with friends, every day on the course is an opportunity to grow and enjoy this wonderful game.

It is encouraging to see strong participation in our monthly competitions and club events. The continued support from members, sponsors, volunteers, and staff plays a vital role in the success of our club. Together, we are creating an environment where both experienced golfers and newcomers can thrive.

As we head into the windy months, I encourage everyone to make the most of the excellent playing conditions, welcome new players, and continue promoting the friendly spirit that defines our club. Let us challenge ourselves to improve, support one another, and enjoy every moment on the fairways.
